✕ The Best Christmas Gift for the Naturalist in Your Life ✕ BIODIVERSITY PATRON PACKAGES

The E.O. Wilson Biophilia Center offers many different opportunities to support our goal of conservation through education. By giving the gift of any level of Patron Package, you are showing that you care for the natural resources in our area. The recipient of this gift will be able

to enjoy everything the Center has to offer. They will also receive a certificate and a Christmas card. Just go to our website and purchase by using the "Donate" button. You can also send a check to the center. If you want to give the gift of nature, then this is perfect.
